## WE BRING

**2 microphones + 1 echo pedal + 1 banjo + 3 effects pedals.**  
**Everything is plugged on 1 mixer.**  
**Output: RCA or Quarter inch or XLR.**

## WE NEED

**A loud sound system with huge bass.**  
**The best is to play with double stereo : 4 speakers.**  
**2 power plugs.**

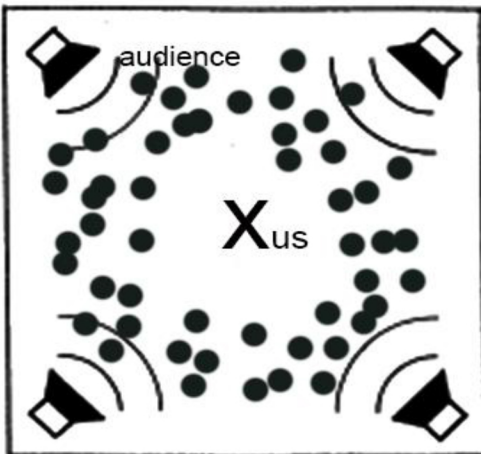

**30 minutes sound check.**

**We play on the floor, sandwiched by the speakers and surrounded by the audience (NO STAGE).**

**We don't need monitors.**

**We play in the dark, we only need a discreet drop light on top of us.**

## PLEASE, KEEP THE ROOM NON SMOKER

**WE WOULD APPRECIATE VERY MUCH TO TASTE A LOCAL WINE FROM YOUR REGION OR COUNTRY (-:**

**Thank you very much for your help, feel free if you have any question.**
